

# SMBL9

## 9 mil Matte PET Backlit Film

### A Matte Coated Translucent PET Backlit Film

- Compatible with solvent, eco solvent, latex and UV curable inks
- Recommended for both indoor and outdoor applications
- High quality image density and resolution
- Ideal for light boxes with high contrast
- 100% polyester and recyclable
- Pvc free
- Good for rigidity and flatness for easy installation

### Lamination & Mounting

This product has been tested and approved for use with Read&Co. laminates and adhesives. Read Inkjet laminates provide durable protection from abrasion, moisture, Ultraviolet light and various types of damaging effects on indoor and outdoor applications. Recommendations for cold/pressure sensitive lamination and adhesives are SPEED: 3-5 feet per min and PRESSURE: 20-40psi (recommendations vary depending on the laminator, model and other variables). Read Lamination and Adhesives provide quick and efficient quality results without the need for heat.

### Solvent, Eco-solvent, UV Curable And Latex Compatibility

This product is universally compatible with solvent, eco-solvent, UV curable and latex wide format digital inkjet printers. Read&Co inkjet materials provide an expanded color gamut and higher ink saturation for richer, more brilliant colors. Individual results may vary. Test thoroughly for your specific application.
