

TrueCanvas® Giclée S360 is an 11 oz. canvas composed of a 30/70 cotton/polyester blend with an acrylic-esso top coat. The gesso coating may be folded and stretched without cracking and provides a uniform low-glare finish. TrueCanvas Giclée S360 is free of heavy metals and designed to offer crisp detail and a rich tonal range. The material is available in a matte or gloss finish and is ideal for fine art reproduction as well as various art décor applications. TrueCanvas Giclée S360 is compatible with solvent, eco-solvent, UV and Latex inks. Available in widths from 54" - 80".

Material Details

CHARACTERISTICS				
Support Cloth	30% Cotton, 70% Polyester			
Type of Coating	Polymeric Resin, heavy metal free		Polymeric Resin, heavy metal free
