

VorTex Broadway D290 is an 8.5 oz. heavy woven poplin textile that is 100% polyester. It has a soft texture and appearance that is ultra-matte and non-glare. VorTex Broadway D290 is wrinkle resistant and compatible with direct disperse, Latex and UV print processes. This textile is primarily used in theatrical applications for stage and set backdrops/graphics. However, it may also be used in various indoor and short-term outdoor applications such as art reprographic, banners, displays, event/tradeshow graphics and POS signage. Available in widths of 122" and 198".
